TECHNICAL SPECIFICATION

StandArt Pillar 548

Item no.: 6150
2 pillars with spikes

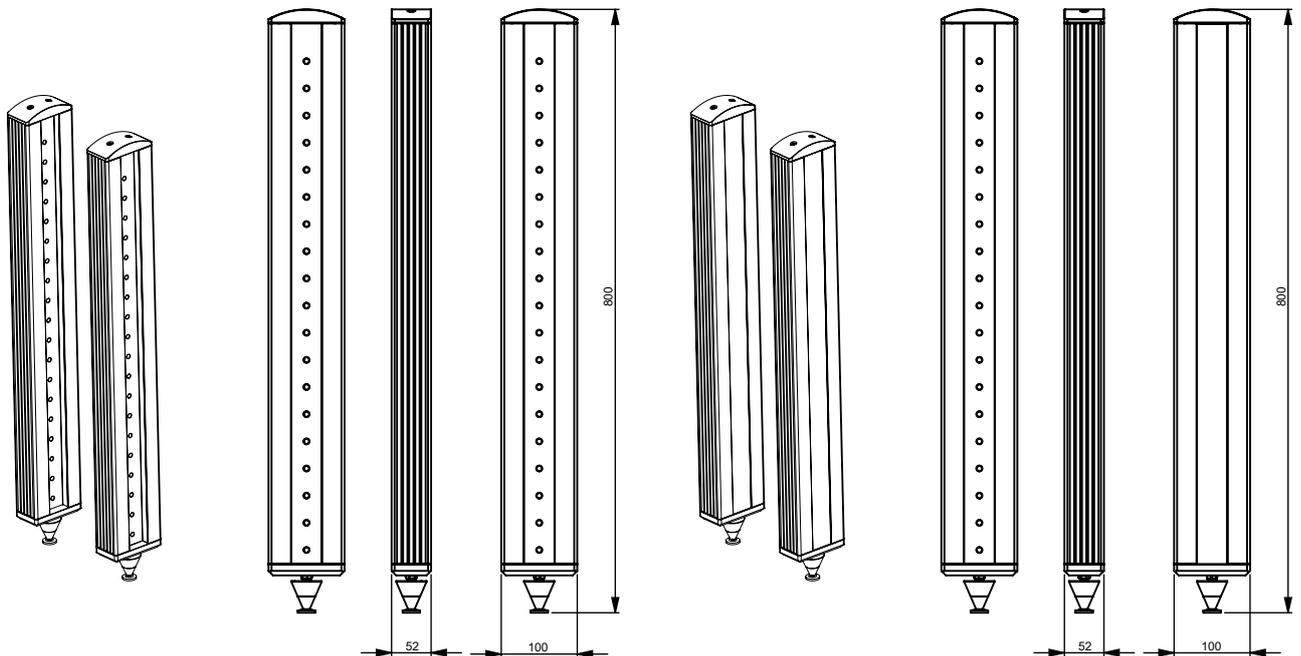

Item no.: 6155
2 pillars with spikes and acrylic finish

StandArt Pillar 800

Item no.: 6160
2 pillars with spikes

Item no.: 6165
2 pillars with spikes and acrylic finish

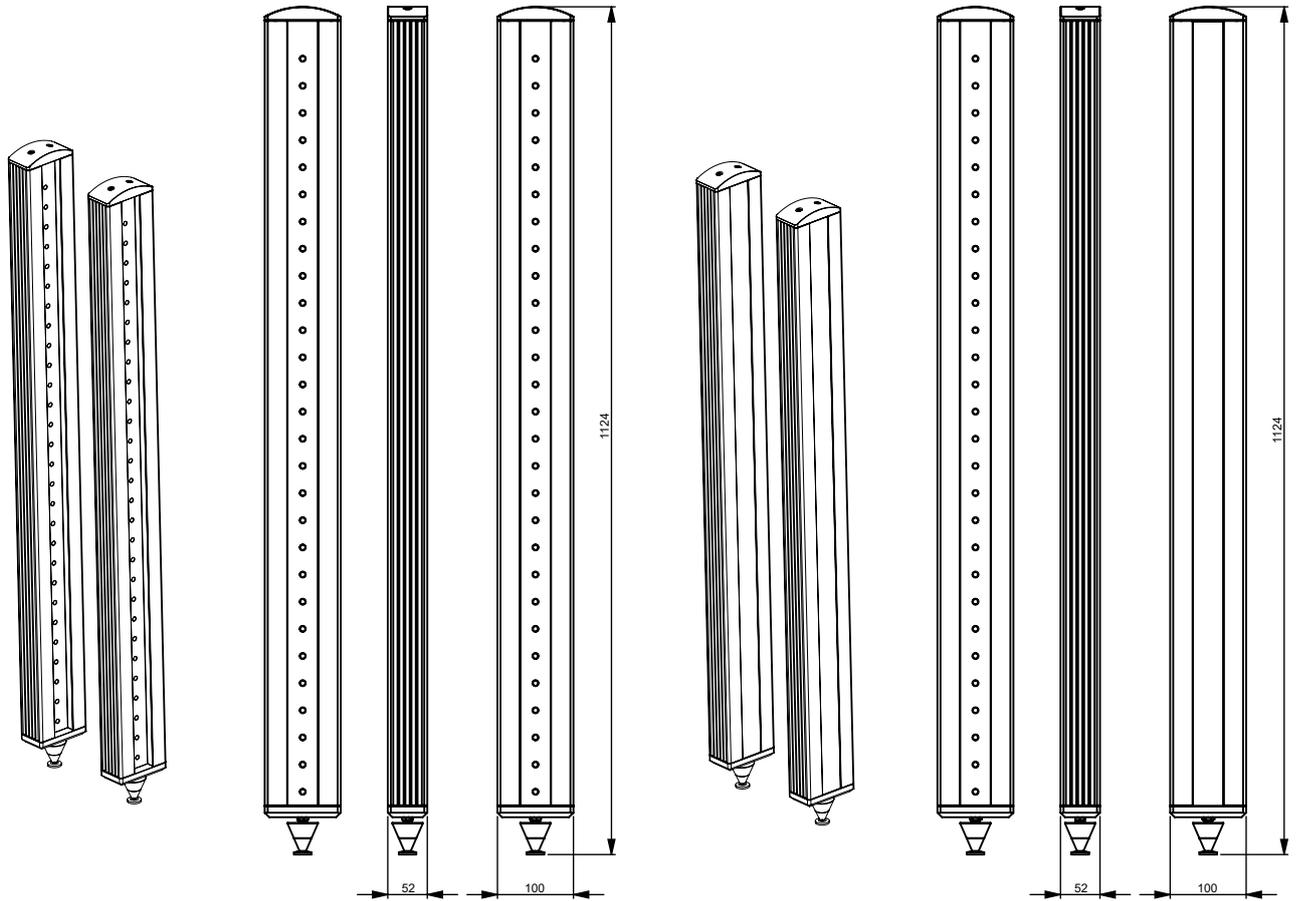

STANDART
RACK SYSTEM

StandArt Pillar 1124

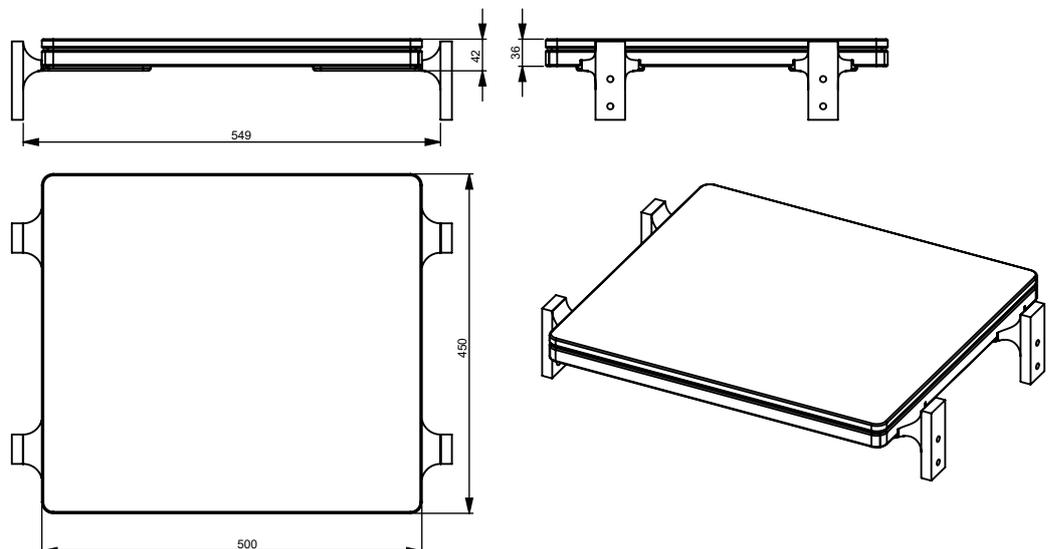

Item no.: 6170
2 pillars with spikes

Item no.: 6175
2 pillars with spikes and acrylic finish

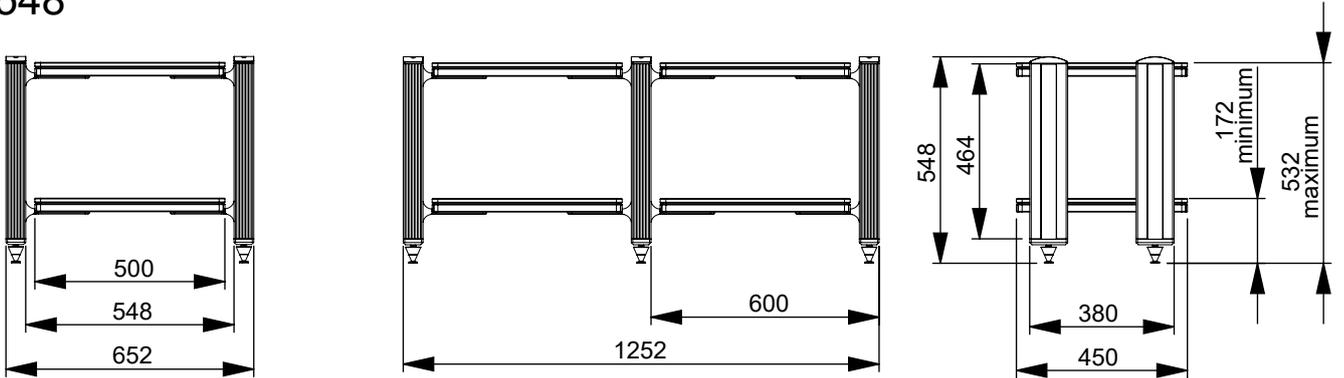

StandArt Shelf

StandArt shelf, black wood Item no.: 6140
StandArt shelf, brown wood Item no.: 6145

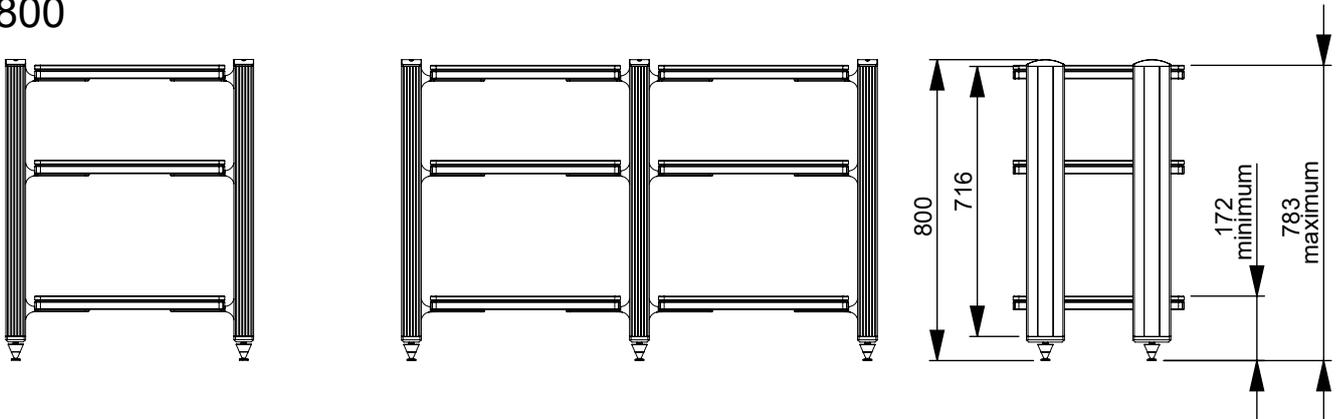

StandArt rack dimension overview

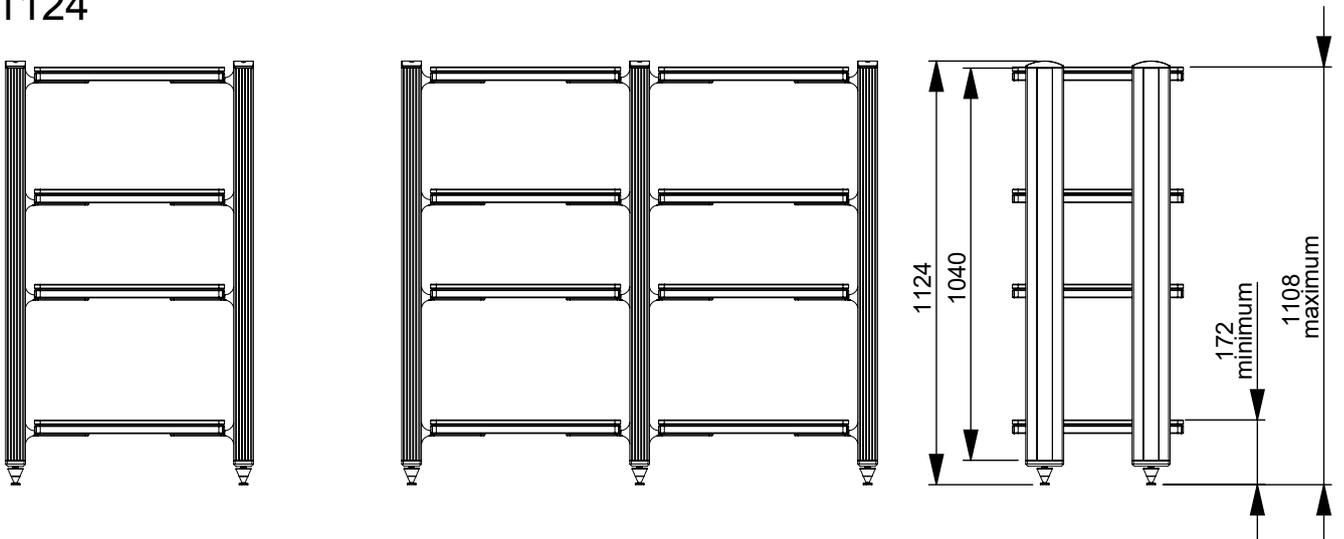

548

800

1124

All heights include coasters

StandArt rack distance calculation

Minimum distance = 64mm

Subsequent distances: 64mm + (number of holes x 36mm)

Example 1 :

64mm + (3 holes x 36mm) = 172mm (min distance + 3)

Example 2 :

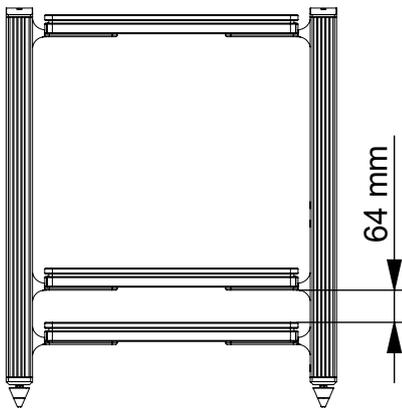

"I want minimum 230mm space":

230mm - 64mm = 166mm

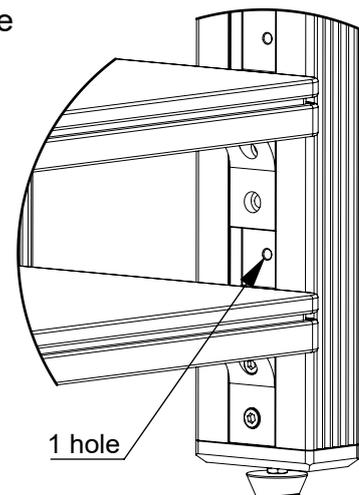

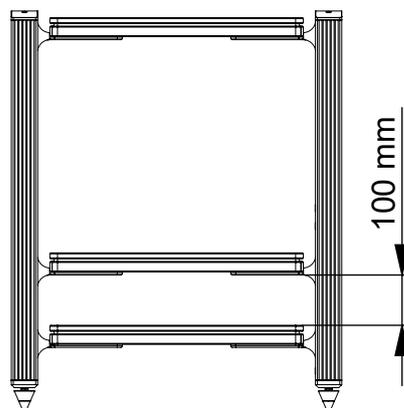

166/36 = 4,6 => 5 holes

64 + (5 x 36) = 244mm (min distance + 5)

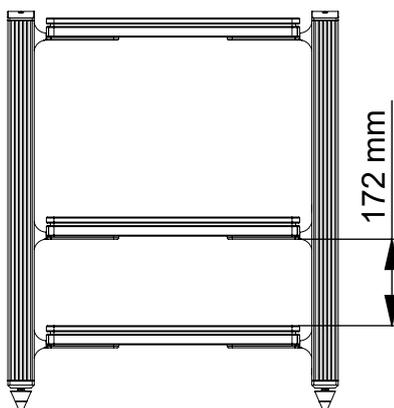

MINIMUM DISTANCE

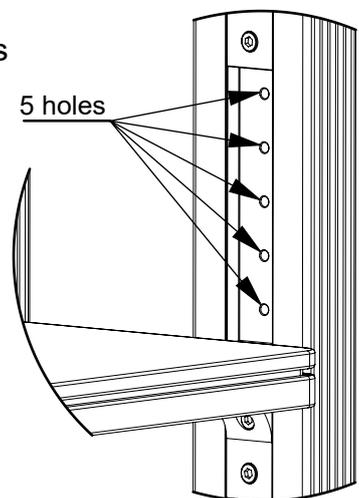

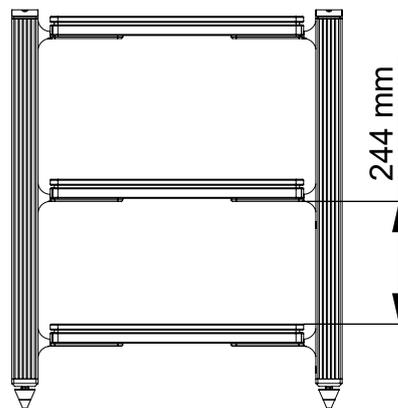

MINIMUM DISTANCE + 1 hole

MINIMUM DISTANCE + 3 holes

MINIMUM DISTANCE + 5 holes

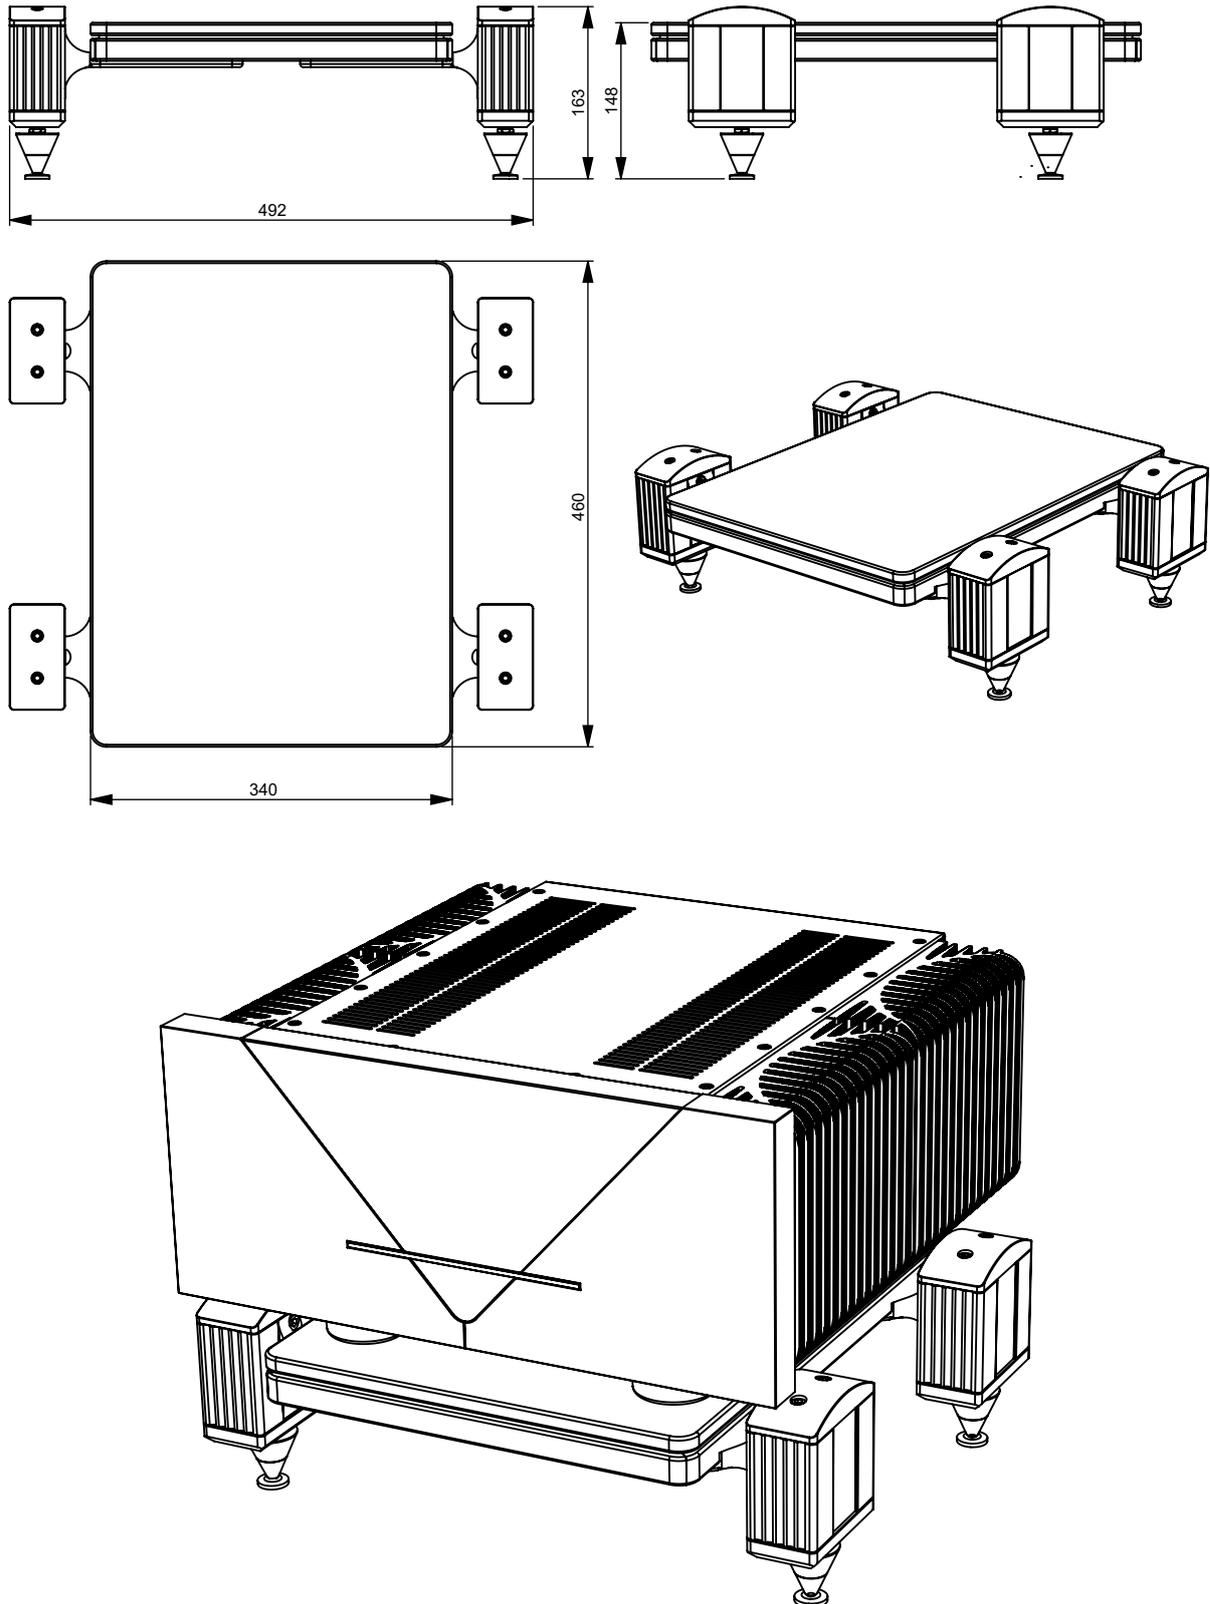

STANDART RACK SYSTEM

StandArt Essence amp stand

Black wood Item No.: 6100

Brown wood Item No.: 6105
